T-Ball Day

We will be travelling to Mudgee on Friday 5th November to participate in another T-Ball day with other small schools. This is a wonderful opportunity for children to play with a larger number of children their own age, and general skill level. Please sign the permission note and return it to school as soon as possible. We will be travelling by bus.

Quality Sports Day

On Friday 12th November we will be going to Mudgee by bus for the second of the Quality Sports Day. A permission note needs to be signed and returned.

Stage 2 and 3 students read “Leaf Magic” and studied the processes (verbs), similes and sentence structure. This is their group re-write of the last paragraph.

Tara jumped out of the window and soared through the air. The echidna came waddling after her and shuffled out the door. As she ran through the park, flower petals flew behind her like butterflies fluttering through the air. The petals tried to join in the race, but Tara was way too quick for them. Trying to appear that they did not care, the petals made a glowing hat in the air out of purple petals and watched Tara run through the park and speed up the hill, glide through the vegetable patch, bolt through the hedge and go to Aunty Nancy’s place at last. Smiling to themselves, the petals climbed onto a tree and sat there, fluttering like a moth at the lighted window.
