Collie's Garden Party

Congratulations to the students in K-1-2 on completing the Collie's Garden Party online research project last term. They discovered that the 10 mini-beasts who were invited to sleep over were: cicada, worm, red back spider, wanderer butterfly, housefly, stick insect, slug and water holding frog.

Our submission of answers placed us 24th in the top 100 schools to send in answers. Well done everyone. Thanks to Mrs Shanahan for helping students keep up with all the clues, and eliminating some of the party invitees.
