Dear folks,

It has been a great pleasure to work at Hill End Public School this year. The staff, community and parents have all helped to ensure the school has continued to be a very special place for students in 2013. Thank you to everyone who came along to our presentation evening last Friday, there was an excellent turnout of locals and the children really enjoyed performing in front of a large audience.

I will be opening and

supervising at the school pool on January the 6th and 7th. The pool will be open from 12pm – 4pm for all ages, and from 7pm – 9pm for adults only.

SCHOOL HISTORY SNIPPET MARCH 1956

P. & C. NEWS.

There is a vast difference to be seen in the School this month as a result of the money spent by the P.&C. at their February meeting.

The sports equipment has finally arrived--4 basketballs, 2 footballs, 2 doz. tennis balls; a Vigaro bat, 2 large coloured rubber balls for the tinies, 2 softballs.

What a difference this equipment is going to make!

The kindergarten material arrived and the tinies really love it. Their learning the play way is a reality now.

The school band has proved a great success with most of the boys doing their best to become the school's most efficient drummer. Honours so far are shared by Pete Byrnes, Ken Burns and Gray Goodwin. Good lads!

The house colours, made up by the Senior Sewing Class, make games like basketball and bar pulling much easier for points allotment.

At the March meeting of the P&C., a film committee was formed to go further into the question of future film programmes. A specially constructed clock was bought for the infants and mathematics text books for the whole of Upper Division.
