14TH NOVEMBER 2014

THE GOLDEN QUILL

HILL END PUBLIC SCHOOL

Art Camp Triumph!

Art Camp Supporters

Once again, thank you to Club Mudgee and Mid-Western Regional Council for sponsorship of student scholarships.

Also, to Woolworths Mudgee and S&S Meats, Mudgee for their generous catering support of our Art Camp.

Hi folks,

Thirty three students, nine schools, four artists and artworks into the hundreds. These are the simple figures that saw the 2014 Hill End Art Camp once again prove to be a huge success for all of the students and also for our school.

Creativity abounded for three days as the children created artworks using traditional *great master* techniques, sketched using technical observation skills and pin-hole photographs using technology dating back to the gold

rush days.

Fun, laughter and socialising with friends were the three key elements as the children not only produced some wonderful art but took part in many fun games and activities in between art workshops and after school while staying at The Ranch.

Thank you to everyone involved for your wonderful energy and hard work to make the camp a success. Special thank you of course to the artists Jean, Sue, Bill and Genevieve, also to Kerri and her team at

The Ranch for making the children feel so welcome during their stay, Goolma Principal Mrs Charlton for her amazing enthusiasm, and finally the staff at Hill End Public who gave up many hours of their own time to make the camp succeed.

Thank you!

Enjoy the weekend.

Mr G

SWIMMING

Next week, weather permitting, our swimming program will begin. Please ensure children bring swimmers, towel and **thongs or crocs** (these are very important for walking to and from pool - **no swimming without them.**) to school on Monday. These items can remain at school and taken home each Friday for washing.

Mrs Charlton & Mrs Rayner take a short break

Art Camp Students!

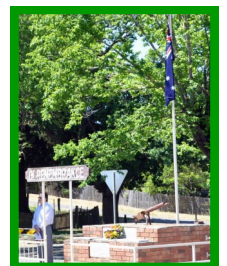

What a wonderful group of students we had in attendance at the HEPS Art Camp! Without exception they were well mannered, funny, thoughtful and above all very talented! They came from Goolma, Lue, Wollar, Hargraves, Ilford, Sofala, Wattle Flat and Perthville to join our students for three days in Hill End. They participated in pinhole camera photography, sketching with charcoal and still life painting with paint and pastels over the three days. They worked and played together and also stayed at the Hill End Ranch for two nights. We had wonderful weather for the camp so students were able to get outside for their photography and sketching.

“Art,
art &
more
art!”

Remembrance Day

Remembrance Day was not forgotten during the Art Camp. Students, staff and artists joined with local residents to attend the Hill End & Tambaroora Progress Association's service at the Hill End War Memorial. Harrison Browne laid a wreath on behalf of the Association and HEPS.

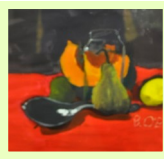

The Artists!

Well, what can we say! Thanks to Jeannie, Sue, Bill & Genevieve for making this Art Camp such a success. They came to our school to teach students from around the district many different art forms and techniques - from pin hole photography to charcoal sketching, to paints and pastels. We know that some of these students have been inspired by you and will carry on producing art. They will remember this camp for the rest of their lives.

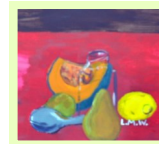

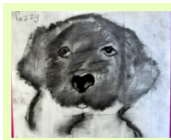

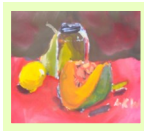

The Art!

Just some of the amazing art produced over the 3 days!

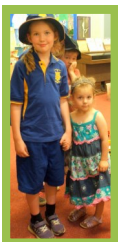

Senior Student
Of the Week
Liam English

Junior Student of
the Week
Allen Drakeford

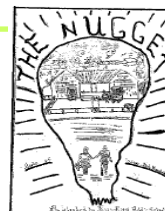

Mrs Rayner's Final Day

We said farewell to Mrs Rayner on Thursday, as she started maternity leave. Mrs Groves came in the morning, as the students had made a beautiful mobile with her for the new baby. Toby was joined in transition for a short time by Ruby, who enjoyed her playtime at HEPS.

SCHOOL HISTORY SNIPPET

April 1963

HILL END WINS AGAIN!

Our predictions have proved correct. At Running Stream the children of Hill End again showed that they are the best athletes in the district. Last year's achievements of the Shield and four cups was doubled.

This year the children held the Shield and brought back 9 cups, a very fine effort. Four children became Champions of their division, and, this proved that they are best in the sports.

Robert Flynn continued to hold his Upper Senior Cup when he won his age race, The Broad Jump, The Upper Senior Championship and he finished 2nd in the High Jump- just missing the possible. His win in the Championship was a very fine run. Robert was also in the winning Upper Senior Relay.

Robert's young brother, Garry Flynn followed in his elder brother's footsteps. Garry excelled in all his events. He won his age race, Broad Jump, High Jump and the Junior Championship race as well as taking part in the winning Junior Relay. Well done Garry !

The fair sex were not to be out done. Julie Polain became the Junior Girl Champion with two splendid wins in her age race and Junior Championship as well as finishing in a place in the Broad Jump. Julie was also in the winning Junior Relay Team. This little girl has one of the best running styles seen for a girl of her age.

Robyn Drakeford, 6 years of age, is the present holder of the Juvenile Champion. Robyn easily won her age race, the Juvenile Championship; she also finished in a place in the Broad Jump and was in the relay team which finished third. Some very fine running from such a small girl.
