Happy Birthday to
Ellyse. She will turn 6
next week.

Through all of the difficulties, uncertainty and anxiety that the year has presented for many members of our community I would like to firstly thank the staff of Hill End Public School for their professionalism and dedication.

Together you have remained committed to the academic success and personal care of every student at our school. You have each undertaken your work with dignity and acted with respect towards our community, in the face of challenges. I'd also like to personally thank the Director of Educational Leadership, Ms Hughes for her

continued support of our school and our work at Hill End Public School.

To parents and families I'd like to wish you all a very warm Christmas break, enjoy some time together, relax and recharge.

Although I'm looking forward to a break I'm also very excited about 2022. We have some great plans to enhance learning and engage students!

Hill End

Happenings

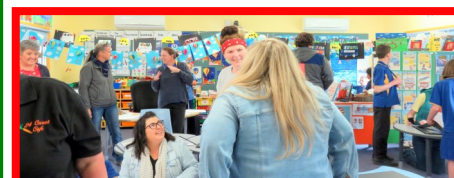

Last weekend members of the Hill End RFS Brigade met to chart a path forward. I'm pleased to say that we have undertaken some strong steps towards planning our training for 2022, along with caring for and

maintaining our equipment into the future.

We've also had a couple of new members join up recently as active firefighters and some others interested in support roles. Our brigade is always keen to encourage new members in a range of roles and activities. If you'd like to know more about joining the brigade please get in touch. Finally, I would like to thank my dear partner Jeannie who has stood alongside and supported me through the year. From everyone here at Hill End Public School we hope you all have a happy and safe
